Deficit for January **\$(5,998.05)**

Titus 1:4 states; "To Titus, mine own son after the common faith..." When Paul refers to Titus as "mine own son" he is not referring to a physical relationship, but to a spiritual relationship. Titus was one of Paul's spiritual children. The relationship they shared was "after the common faith." Both had placed their faith in Christ and it was their faith in Christ that both had in common. Paul had come to Christ by faith, and through the ministry of Paul, Titus had come to Christ by faith. Have you ever been responsible for someone coming to Christ? Can you think of anything more thrilling and exciting than someone that will miss hell and go to heaven because of your life and witness? Let us earnestly pray that 2017 will be a record year in souls being saved through the ministry of the Lord's churches and His missionaries.

For January, the missionaries reported **903** professions of faith and **31** baptisms. Since June of last year, **6,825** salvations and **382** baptisms have been reported. These are not just numbers, but precious souls whose lives have been changed through the Gospel of Jesus Christ.

To those churches who are planning to recommend a missionary to the messengers at the meeting in Daytona Beach, FL, please complete the 2017 Missionary Recommendation Form and mail to the office of Secretary – Treasurer of Missions as soon as possible. These forms are available on line, or you can call the office and request one. This form must be in the missions' office no later than April 20th, 2017. It would be most helpful if you could mail the form as soon as possible.

May the Lord's blessings be upon His churches and missionaries as we take His Word to a lost world.

Respectfully,

Bryan Sellers
