Souls Saved!

There were **46 salvations this month!** **Forty of them were in the homeless ministry!** There were **6 others saved at church!** *Craig, Deman and Zhane* was saved in Morning Worship. *Alex, Aaron and Caylen* was saved in youth group on Wednesday night!

Mail Outs!

We have kicked up our mail outs to another level, as another permanent part of our outreach. We have purchased the names of 15,000 residents so far. Our goal is to send a tract to every home in Henderson, which is 115,000 homes. This month we have mailed out 6,675 pieces of mail. Each piece consists of a salvation tract, a letter and a nice church card with a map on the back. We are already seeing results from this ministry. We had a nice family visit with us this past Sunday which had received a letter. I have received several good phone calls. We have baptized one from this ministry. We are sure excited about the possibilities of this outreach! The mail man can get into restricted areas such as gated communities that we cannot go. We would also like to thank County Avenue Baptist Church and their fine pastor Dr. Roger Copeland for purchasing 40,000 tracts for this ministry! What a blessing! We will only know in eternity what impact this had on Henderson, NV.

Additions!

We had one addition this month by letter. She is a very sweet lady named *Barbara*. She moved here from one of our sister Churches in Arkansas. We are sure glad to have her in our family!

Daycare!

We are still going forward with this outreach. We have to draw up some plans of our play ground and get a few more things together and we will be ready to meet with the state. We should have some good progress this next month. We will keep you informed.

IMD Funds!

We are blessed because you have voted to give us the IMD funds for the next quarter! We want to thank all of those that support this special fund and for sending it to us. What a great blessing! It will all go toward paying our debt down! Thanks again for your support of this ministry!

No More PO Box

We will be discontinuing our PO Box in the next six months. This will save us some money. We have a locked mailbox at our physical address that we can use. Please send any correspondence to 821 Cadiz, Ave. Henderson, NV 89015. Thank you for your patience.

Thank You!

Words cannot tell you how grateful we are for all of your help. Our people in the mission are so amazed at how you are helping them to pay for a church, to be started here, for them and their family! Most of them have never experienced anything like this. You are such a blessing to us! Thanks again and may The Lord bless you!

Your Missionary In Christ,
Larry Frye
