Communicating Christ with People in Japan

Jesus came into the world to save sinners !

One Precious Soul is Saved!

I am so happy to report that Souta Hoshino, 9 years old boy, is saved after repenting of his sins and trusting in Jesus Christ in prayer. He has been coming to this mission church since his birth. Sister Hoshino, our member, faithfully takes her children to church. He has come a long way, but finally realized his lost condition and seriously desired to be saved last month. He had shown signs indicating his intellectual admission of Jesus, but had never fully trusted in Jesus. But this time, he really meant to pray to receive Jesus as his Savior. He willingly gave a public profession of faith during worship service on Sunday, December. His testimony was genuine and every member present is happy to witness his salvation. Praise the Lord! Please, pray for his father who is Catholic to be saved.

Good Christmas Outreach

December was full of opportunities to reach out to lost people in our communities. We gave out 5000 newsletters in which I wrote a message of Jesus. Members personally invited friends to church. Twelve first time guests attended one of three Christmas services. One of my English Class students with her children attended all services. It was their first time in life to come to any Church. They fondly received messages they had heard. They are likely to attend occasionally. The student's

name is Mrs. Kasagi. When she started studying English with me, she was skeptical of Christians, showing me no interest in coming to church. Now, she is interested in hearing Bible messages. Christmas worship service was well attended and our chapel was crowded, which is a good problem. Please, pray that the Lord may provide wider spaces for our meetings in the future.

Kids Christmas

Kids Christmas was very good. These children and parents learned true meaning of Christmas. I pray these souls will be saved.
