Dear friends and church family of Korean Mission,

The Lord has blessed us abundantly recently. Three precious souls were saved and baptized. We praise the Lord and give Him all the honor and glory.

During the summer a couple, Dongsoo and Chanhee Park, came to our Sunday service. They were looking for a biblical church. They did not see themselves growing in the Lord at their previous, methodist church. After attending a few of our church services, they asked me why our church does not profess the Apostle's creed, which is something most Korean churches do. I explained of its biblical errors and how our final authority is the Holy Bible, as a rule of our faith and practice. After several lessons about the baptist church, they received assurance of salvation and made decisions to be baptized.

A couple of months ago, Bro Dongsoo and Sis Chanhee brought their friends to a barbecue fellowship at our house. Among them, a man named Jason Ma began attending our church services afterwards. Subsequently he also received assurance of salvation. The three were baptized last month.

I would like to share with you another testimony for the glory of God. Two souls are waiting for baptism. Jina Kim, my dentist's receptionist, was saved after a number of long soul-talks with me. She told me that she really needed the gospel currently during this difficult situation she was going through. She was overjoyed with what she heard about the gospel and said that she would like to relay the message to her family. The other, Ana Ahn, a graduate student, had been attending a Korean methodist church and was baptized by sprinkling. She started attending our church services because she also was not happy in her previous church. After learning about the New Testament church, she made a decision to be baptized.

We are very grateful to God. Thank you for your faithful prayers and continued financial support.

In His love and for His glory,

Missionary Youngbae Kim and Jungmi, Sungmin and Minhee
